

## Subject

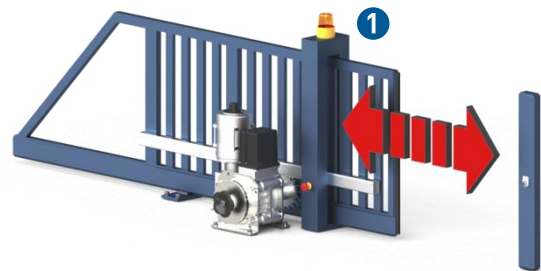

New beacon and flashing light set

## Description

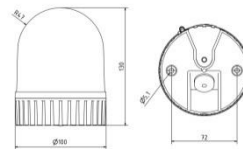

We have adapted our range of luminaires (1) for the door area.

The beacon and the flashing light set are new.

## Figure

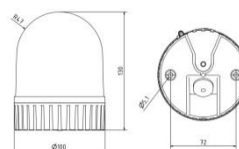

## Beacon

- Switching between continuous light, flashing, flashing and rotary warning lamp with DIP switch (2)
- Pre-wired for 230V AC; 24 V DC possible by reconnecting
- Modern LED technology
- **Part no. 40019343**

## Flashing light set

- Flashing light function
- Pre-wired for 230V AC
- Modern LED technology
- With a high-quality terminal box (IP65) (3)
- **Part no. 20003217**

## Notes

The part numbers of the products do not change. We can offer the beacon at a lower list price thanks to better conditions. The cost of the flashing lamp set remains unchanged. The changeover will take place gradually from 07/2023. Do you have further questions about our products and prices? Your sales representative will gladly advise you: <http://gfa-elektromaten.com/en-DE/contact.html>
